SERENADING SEÑORITAS, EVERY WEEK!

Wagner pulling test!

We trial the Brazilian's look!

WORDS: FRANK TENNYSON PHOTOS: COLIN WILLIAMS
In our opinion, there's only one person who's made this series of *The X Factor* utterly brilliant. Yep, it's Wagner! The Brazilian bongo-basher has not only stolen the show but also, we gather, stolen the hearts of the UK's ladyfolk. So we decided to do a test – if a *Nuts* bloke "went all Wagner" and adopted the crooner's individual look, would he woo the women of Britain or just prove a big, fat *X Factor* flop? Ladies, it's over to you!

BEFORE!

AFTER!

Here's what the ladies think of our makeover...

After literally minutes in make-up, *Nuts* man left the safety of the office in search of love on the streets of London. Did he find it? He had a good go.

ANNA 27, Kent

"Men shouldn't wear jewellery. However, I like a fella to have fun and dance, and this Wagner's definitely a good laugh!"

BECKY 23, Bournemouth

"He looks too old-fashioned. Cut his hair and he might start to look a little bit cooler, but I'm afraid it's too late for this bloke!"

CHARLOTTE 26, London

"I'm not a big fan of the earrings, if I'm honest – I don't like a man to wear more jewellery than me. His Brazilian accent's nice, though."

"Yeah, I've just come back from my gap year in Thailand!"

LATINO LEGEND!

HAYLEY 27, London

"I don't like hairy men, so the Wagner look's a definite turn-off for me. Your man looks like he needs a wash, too!"

LAILA 19, North London

"I think the British public just need time to adjust to the Wagner look – in fact, I think it's starting to grow on me already. Thumbs up!"

YVETTE 21, London

"I really don't do long hair, so it's a definite no from me – but I wouldn't mind a little play on Wagner's bongos!"

Does he have the X-factor? It's a "no"!

It's a thumbs-down from the ladies of Britain! So when you get booted off the show, Wagner, get down the barbers and sort your barnet out!

Nuts EXCLUSIVE!

Girls! Guns! Choppers!

Gents, this has to be the best calendar ever!

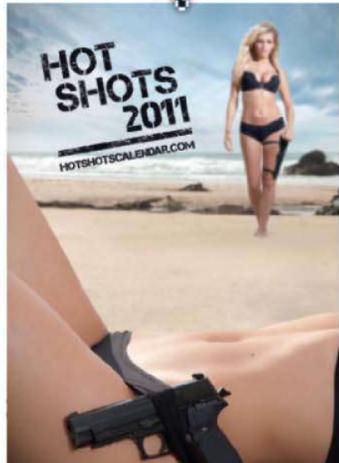

Regular *Nuts* readers will remember we headed down to Newquay a few months back for a behind-the-scenes look at the shooting of the *Hot Shots 2011* calendar in aid of Help For Heroes. Well, here's the fruit of that toil, and it's making us all go a little bit funny.

In fact, we ran a pub poll we titled "Things we'd like to see in a calendar", and the answers – Lucy Pinder, knives (preferably in thigh holsters), Rosie Jones, high-velocity sniper rifles, some dinghies, camo gear, Emma Glover, a few attack helicopters, army goggles, bikinis, all-terrain vehicles, Kelly Hall, flippers, tanks, Amii Grove, tanks (again – fair enough!), swimsuits, Sam Cooke, bulletproof vests and Stacey Massey – are all here.

Talk about coincidence!

Get the *Hot Shots 2011* calendar for £9.99 (including postage) at hotshotscalendar.com.

FANCY FATIGUES!

You've pulled!

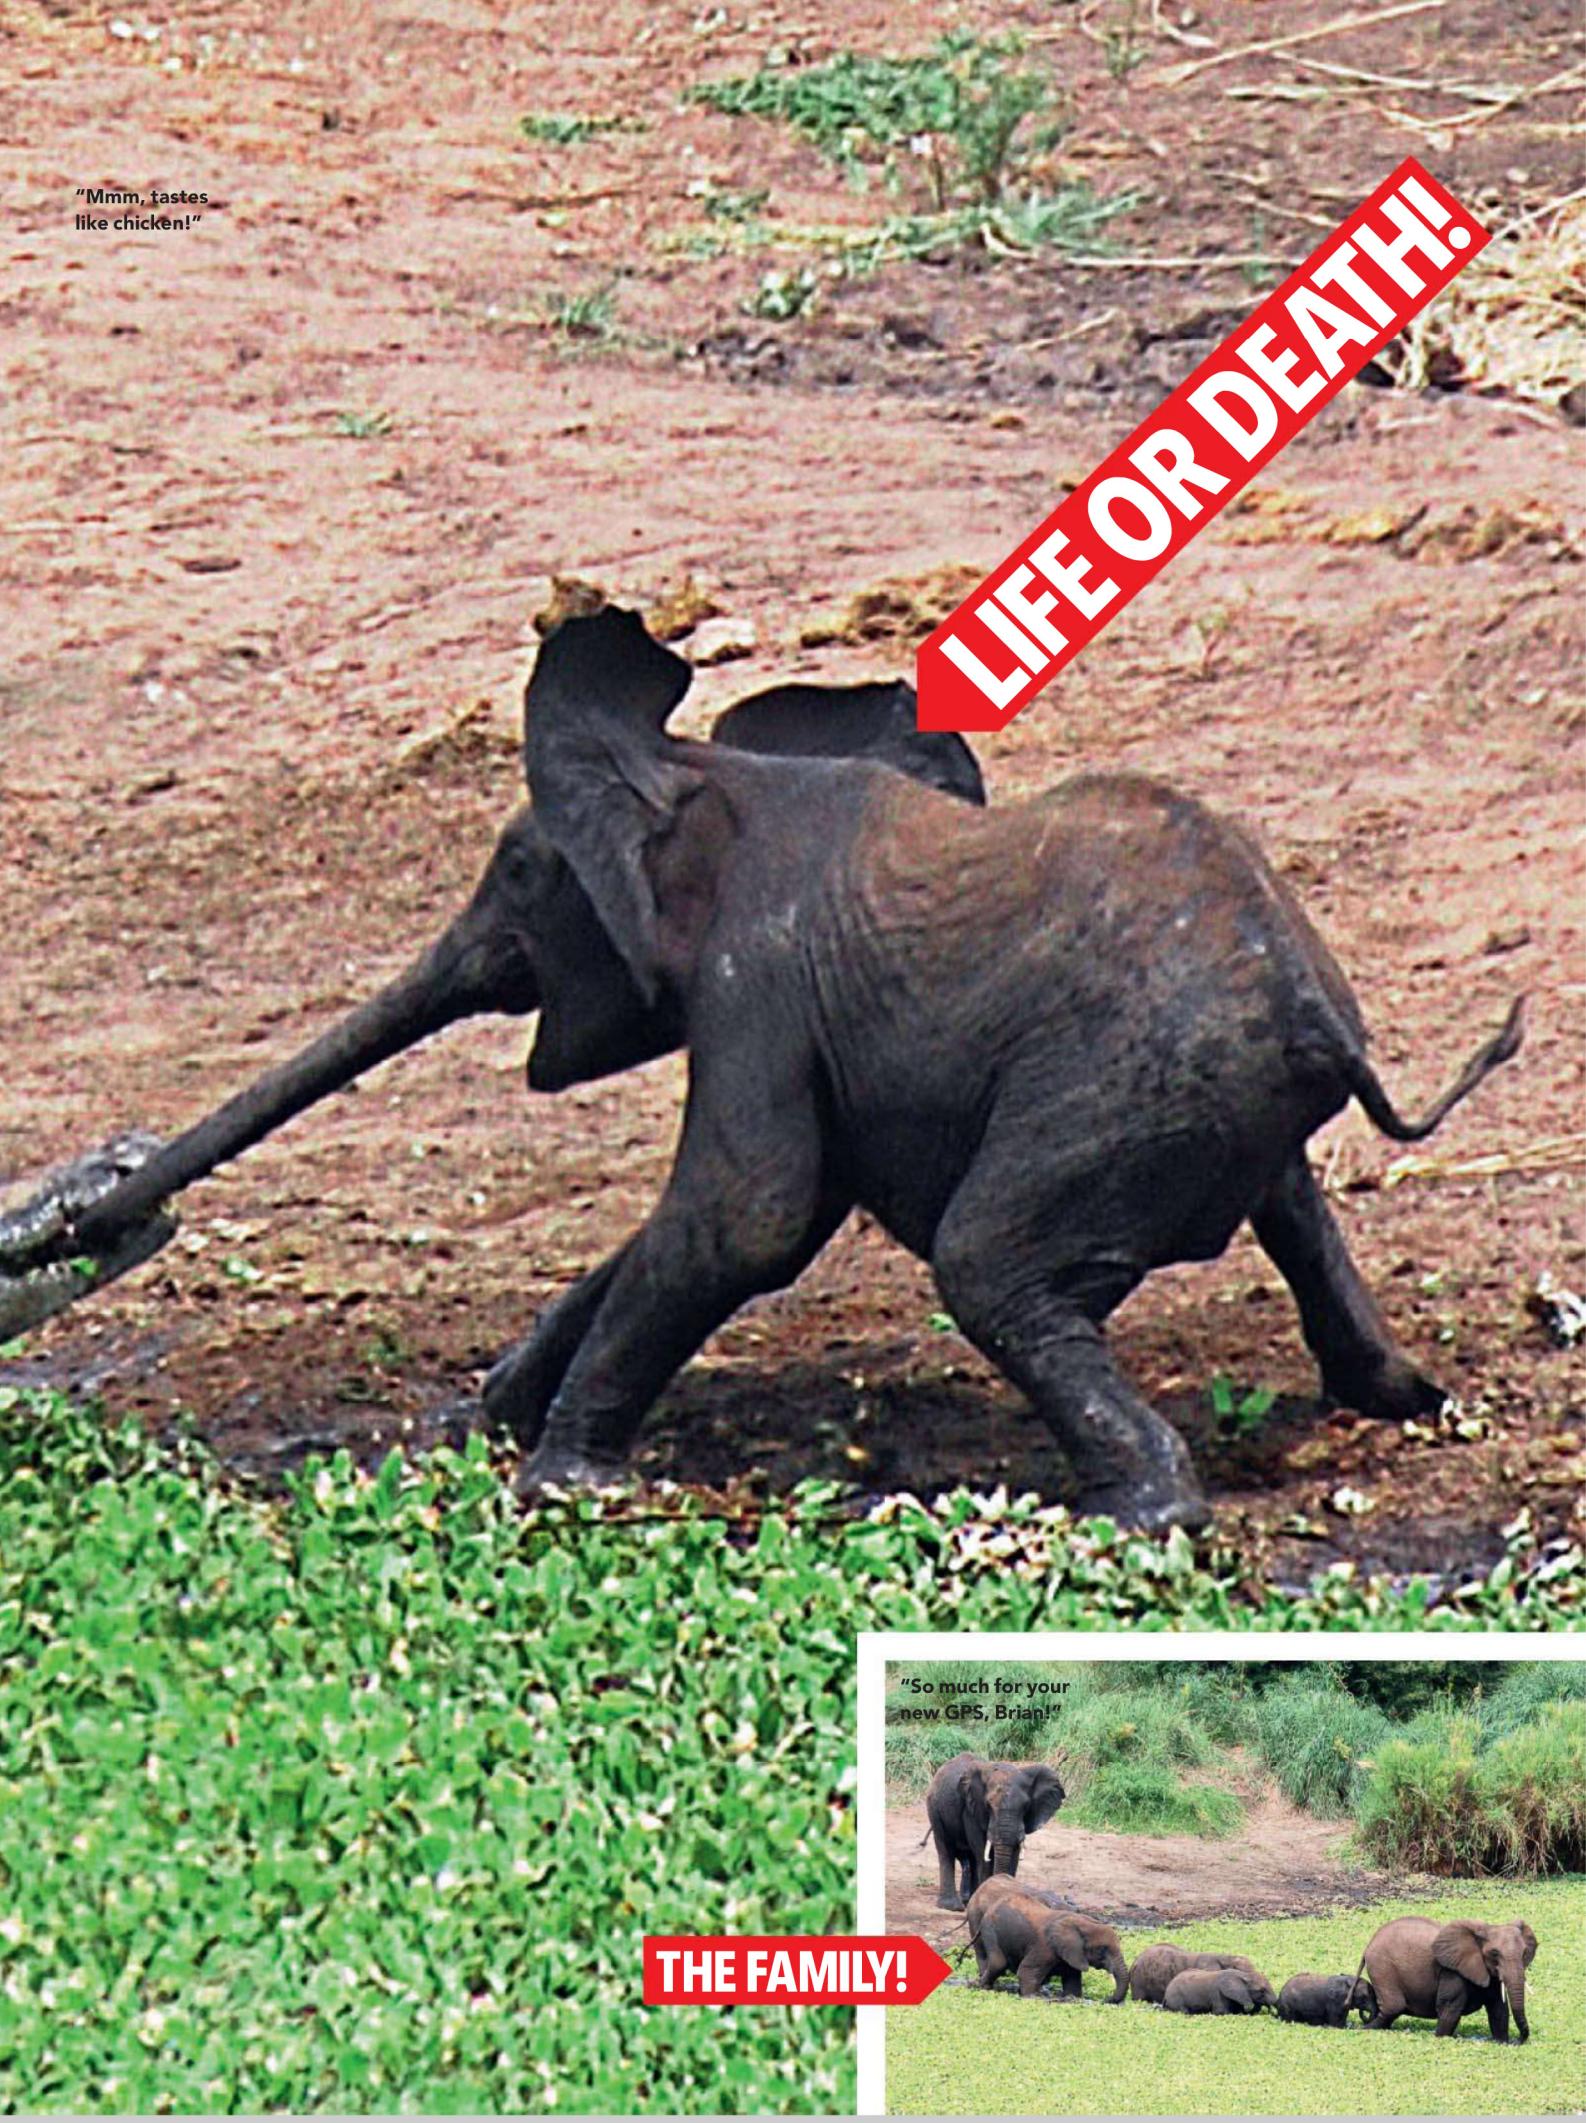

Baby elephant in deadly tug of war with croc!

This is the moment a baby elephant almost became a snap-happy croc's lunch! Under the watchful eye of his family, the wee fella was having a drink from an African waterhole, when he came face to face with a hungry killing machine!

Hoping for an easy meal, the ravenous crocodile locked its jaws around the elephant's trunk and began a deadly tug of war. And for a while, it looked like the walking handbag would be feasting on elephant steak for the rest of the week. Luckily, hearing the baby's distress calls, the herd of elephants rushed to its rescue, stamping around and making lots of noise to scare the reptile off.

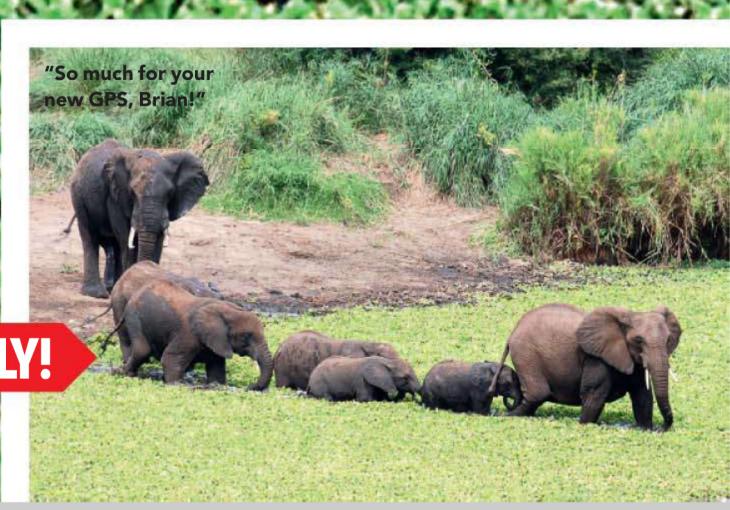

We love it when a story has a happy ending – although the croc won't have seen it that way!

Nuts EXCLUSIVE!

Homefront: first play

Koreans want to rule the world in scarily realistic new shooter!

You could be forgiven for not getting excited by another first-person shooter hitting the shops, as there are rather a lot out there. So, to catch our attention, a game has to really stand out – and *Homefront* does just that!

The year's 2027, and the Third World War is in full swing. North and South Korea have joined forces to create the Greater Korean Republic, and invaded America – the berks! Only a small band of resistance fighters stand between them and total world

domination, and that's where you come in! The game, which is set to drop next spring, was created with help from real-life CIA boids, and as a result, the whole plot's so realistic, we've actually got a bit of a downer on Koreans now. We're looking at you, Ji-Sung Park!

AWESOME STORY!

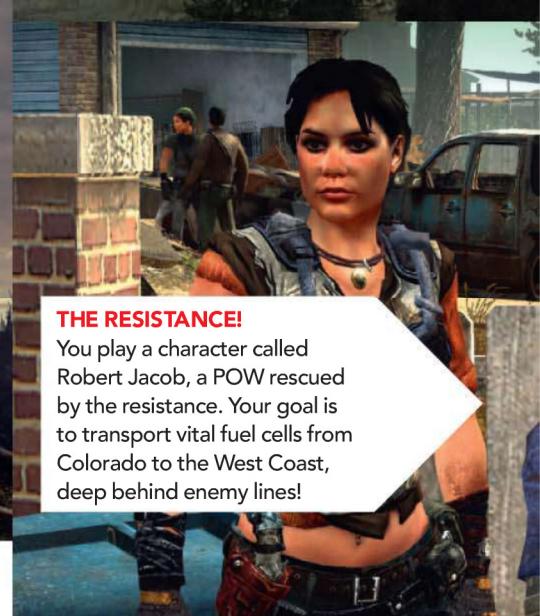

Homefront has an eerily realistic storyline, penned by *Apocalypse Now* co-writer John Milius. In fact, the part about America's invasion is so good, the game's being turned into a novel!

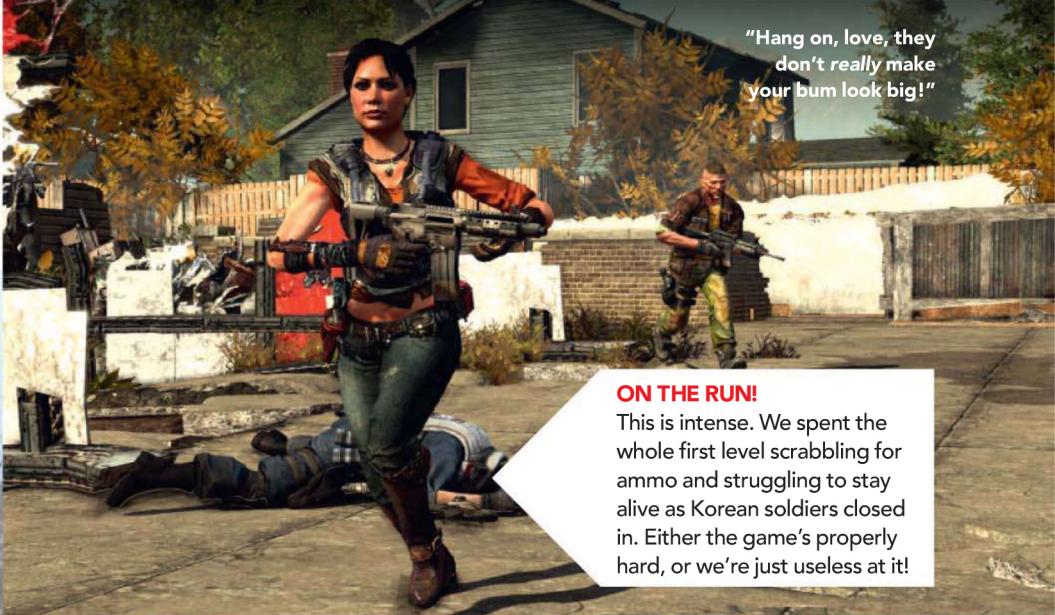

AMERICA'S RUINED!

The idea behind *Homefront* is to make the familiar feel a bit alien – so, as you fight your way through America's landmarks, you'll notice they're all in ruins. Even Hooters! Those fiends!

Travolta's parallel parking left a lot to be desired

ON THE RUN!

This is intense. We spent the whole first level scrabbling for ammo and struggling to stay alive as Korean soldiers closed in. Either the game's properly hard, or we're just useless at it!

WORDS: RICH JENKINS

AWESOME TECH!

The weapons in Homefront are all currently in service, or based on tech that could well be in use by 2027. The best of the lot for us was The Goliath, a huge gun-vehicle you control remotely!

THE ENEMY!

The North Koreans (or Norks, as the game calls them. Tee-hee!) are an 'orrible lot, who won't flinch at gunning down innocent civilians in their path. Or you, for that matter. Tsk!

Alan Partridge is back!

Norfolk's finest makes his web debut!

Comedy king Steve Coogan knows what the public wants – more Partridge – and so he's obliged, with 12 new "webisodes", viewed from

the webcam in Alan's new studio. They're available to watch at fostersfunny.co.uk from Friday. Trust us, they're absolutely great! Here are some of our fave lines...

"I was dismissed from jury duty as they wanted an ethnic balance and so I was the fall guy"

"What I love about Fosters is that it can be drunk anywhere. At Ascot, at a party or on your own, in a caravan"

"Say what you like about Billie Piper, she's the best prostitute on ITV"

"In less than an hour, I will come face to face with one of the most beautiful women in the world... Anthea Turner!"

"If you want to vote for a food person for Norfolk's best person, may I humbly suggest the county's turkey baron Bernard Matthews. This individual has slaughtered close to a quarter of a billion birds for your eating pleasure."

COMEDY ICON!

"This tea tastes of chicken. Oh no, I've just eaten some chicken"

"Who's the best person Norfolk's ever produced? Maybe Jeremiah Coleman – not only responsible for the world's hottest yellow paste, but also for the phrase 'that's mustard', meaning 'very good'."

"If you're from a Third World country, you may not be aware of bikes. Cycling is a wheel form of exercise where the legs are used as pistons to propel the cyclist forward"

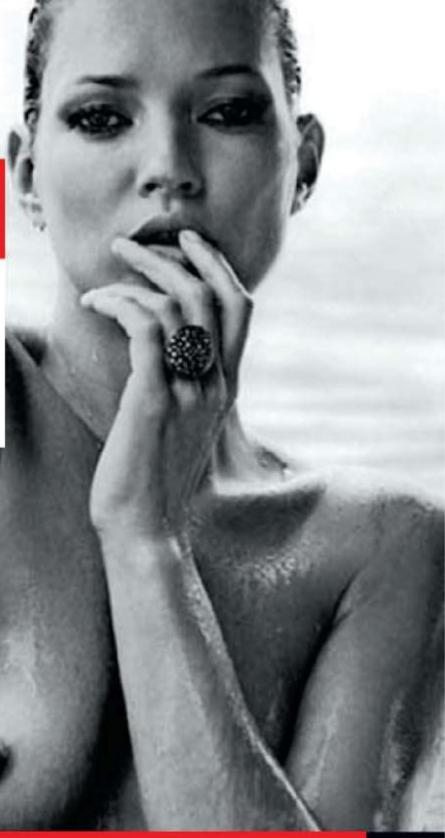

"Delia Smith has quite the temper. I saw her once take it out on a piece of meat. She made mincemeat out of it!"

**Lizzie Cundy****Out and about, London**

Queen WAG Lizzie recently split from her footy hubby Jason, which is sad. But we can all enjoy this, which sees her lovely bosom divorcing itself from inside her top. Excellent!

Kate Moss**Ad for swish jewellery firm**

There's an old saying – give a lady a nice ring and she'll show you her boobs. At least, we think that's how it goes. Anyway, here's the lovely Kate proving it's the absolute truth!

RUDE NEWS

Ladies hotter than a Man United transfer saga!

**Coleen Rooney****On holiday, Dubai**

Coleen, as we all know, has taken a trip to the Gulf paradise to get over Wayne's naughty behaviour. But we can't get over how wondrous her boobs are! We just can't, OK?

Kelly Osbourne**On a Sky+HD photo shoot**

Blimey! This is Kelly doing a TV promo thing for Sky, who've reached 50 hi-def channels. The theme was Bond's *Goldfinger*, hence the lovely spangly bits. She's definitely licensed to thrill!

Jorgie Porter

At Liverpool Style Awards

It seems like only last week that Jorgie here was on the *Nuts* cover. Mainly because it was! And now here she is at a swish showbiz event. Proof indeed that we only get A-list babes!

Katy Perry

In a German telly advert

It's early days, but we just can't imagine marriage to Russell Brand is going to make Katy tone down her naughty side. Mainly because that's the only side she has. Hurrah, we say!

HOT PROPERTY!

**"I hitchhiked with

Galifianakis

Robert Downey Jr and Zach Galifianakis

The duo on cars, drugs and spitting at dogs!

Hi chaps! Your new film *Due Date* is a road movie. What's your favourite road movie?

RDJ: Do I have to reference something else? I think we'll be the reference point after this. I don't mean to be too confident but I've seen this movie.

ZG: Is it in 3D?

A road trip is the true test of male camaraderie. Do you have any experience with them?

RDJ: Do high-speed pursuits count or not?

Not strictly speaking, no.

RDJ: Just talking to the cops when you're on your way back to the station all gaffled-up, you get to know each other a little bit.

Road trips must look different through that mesh screen.

RDJ: Yeah, I remember when I was a kid, I got arrested. They gaffled me behind my back, but I was really flexible, so I popped the cuffs up around my feet, and I was talking to this guy saying, "Don't call my uncle. My dad's out

of town. It's really going to p*ss him off." And he said, "Hey! Put those behind your back again!"

ZG: I used to hitchhike around a lot when I was younger and I'd carry a sign that said, "I don't have a gun". I got lots of lifts.

Have you ever had trouble getting on and off a plane or getting in and out of a country?

RDJ: No, no, I haven't. I didn't travel with drugs, I just took them before. And then you have someone meet you right on the other side of security. You don't go through with them.

ZG: I was a travelling machete salesman for a while. Trouble just seemed to follow me around.

Does having a recognisably famous face make security guys want to search you?

RDJ: No. They know they're not going to have any fun anymore. Their time has come and gone, they blew a golden opportunity. I love cops. I love their dogs. I do remember though, once in a while, a little weed here, a little

something stronger there, and I was like, "Jesus Christ, I'm in Stuttgart. There are the dogs!" And you're just hoping they don't come over to check you.

Talking of dogs, you work with one in the movie, but it doesn't look like you got on.

RDJ: How would you feel about being with something that smells like hair and sh*t all day long?

ZG: The truth is I'm not actually that much of a dog person because I've got some allergies. One of the dog's hairs got into my eyeball and it swelled up massively. I couldn't figure out what it was at first, but it turned out it was all down to a dog hair.

RDJ: I wasn't particularly comfortable with spitting in the dog's face. It was like, "You and your little f***ing dog, too. I spit in your dog's face." But Todd [Phillips, the director] insisted and I gave in. Now it turns out people love it for some reason.

Zach, did you ever think about a stage name? Your surname's a little bit of a mouthful.

ZG: Galifianakis is actually a shortened name. It used to be Galifianakisberg.

RDJ: What is it your dad says?

ZG: "It starts with a gal, ends with a kiss." That was my uncle's campaign slogan when he ran for public office.

How hard is it to keep a straight face during filming?

RDJ: Zach never actually laughs. Strangely enough, I was

somewhat less professional than him in that regard only.

What can you tell us about *The Hangover 2*?

RDJ: You guys are going to have a ball on that. Are you flying the family over to Bangkok?

ZG: I think Robert's just told you guys a very big secret.

Would you do a cameo, Robert?

RDJ: Busy. Can't afford me.

Can you tell us anything about *Sherlock Holmes 2*?

RDJ: Yes.

ZG: I may make a cameo.

RDJ: It'll be around Europe more and will focus on Moriarty – Holmes' nemesis – and that story, like in the books, has its climax in Switzerland. It'll be great!

Fan-atic!

Colombian footy fan's terrifying tat takes loyalty to a new level!

It's not unusual for football fans to endure the inky needle and get their club's crest scored into their flesh. But Colombian Felipe Alvarez has trumped any bare-chested Newcastle fan or Pompey bell-ringer by getting the shirt of his team Atletico Nacional tattooed on his chest, shoulders and arms. In its entirety!

Felipe got inked in homage to Andres Escobar – the Nacional player murdered by gambling syndicates after scoring an own goal while playing for Colombia against the USA in 1994. And we salute Felipe's efforts! Not just because he's taking a stand against crime, but also because if he takes his shirt off after scoring, he'll never get booked!

Louis sobs, "My head won't fit in the railings!"

George Smith, Guildford

Ex for a reason

A bloke's ex-girlfriend storms up to him in a pub one night and screams, "Come on, what's the real reason you finished with me? I cooked all your meals, ironed your shirts,

TMP!

The Radio 1 DJ on swearing on telly, weird fan mail and Fearne Cotton's saucy tattoos!

Hi Reggie! First things first, what's the worst single you've ever heard?

There was just a massive point when there was loads of crap being released. I couldn't bear that whole *Aqua* phase – *Barbie Girl* and all that stuff. I just can't stand stupid throwaway records. The *Fast Food Rockers*, *Steps*, that crap version of *Steps* called *Scooch*, all of that. And the really annoying thing is that when they were all big, I was doing kids' TV, so I had to interview all of these plonkers!

Nice! You've done loads of kids' TV. How do you stop yourself swearing?

It's a switch. I've got the biggest potty mouth in the world when the microphones are turned off! But as soon those lights go on and that red light says "Recording", you just have to flick the switch. I've done it for so many years now that I just know when not to swear. It's only when you get really relaxed or really distracted that it happens. So if someone throws something and you don't see it coming, you're going to go, "Sh*t!" Or if you're distracted by Amelle from the Sugababes' tight jeans, for example, then you're obviously going to say "sh*t" a lot!

Who would you say's the best guest you've ever interviewed?

I remember I interviewed Jamie Foxx when I was about 19 and I think that was actually my best interview. It was a 15-minute interview that ended up lasting an hour-and-a-half. We just got on like a house on fire. He even gave me his email address, but I lost it – that's how much of a d*ck I am!

When do you find out who's No.1 in the charts? When I walk into the studio on a Sunday. It's all done and dusted by then, so the chart positions have been set.

Cotton's wedgie technique relied on stealth

"Seeing a girl taking a p*ss, trying to take your photo, isn't pretty!"

Have you ever been tempted to nip down the bookies when you find out and lay an early bet?

[Laughs] That's actually never crossed my mind but now you mention it, I've got some debts to clear, so that might be an idea!

You've done so much work with Fearne Cotton. Have you ever been offered a job with Fearne and turned it down because you're sick of the sight of her?

[Laughs hysterically] No, there's not been one that I've said no to because of Fearne. We're family. I love her to death. And that's not just some media bullsh*t. If it was, I simply wouldn't say it.

Did Fearne ever flash you in the DJ booth? Was there ever any sexual chemistry between you?

No, no, no! Never! We've been friends for so many years now that I can't even imagine it. No,

just no! She actually talks to me in exactly the same way she talks to her brother. We're all just in that friendly, brotherly world.

Have you ever seen any of the tattoos in Fearne's saucy places?

No, and I don't want to see any of them! I've seen most of her tattoos but I don't think I'd want to see any of the ones in her saucy places. That'd be weird. No is definitely the answer to that.

Have you or a guest ever guffed in your DJ booth? No, but I've come close on more than one occasion. I had this thing where I'd always go and get these really smelly pastas from a little café down the road from Radio 1.

I've stopped that now but, Jesus, I used to get this prawn mix and, after about an hour, there were more than a few occasions where things could've got really messy!

What's been your worst festival experience? Seeing everyone take a p*ss at T In The Park, definitely! Our tower at the festival was right by the T Break Stage and there was a fence on the ground just near to where we were based. For some reason, everyone would stand there, with their c*cks out, and take a p*ss right underneath us. They'd be waving to us and saying hello while they were urinating. I saw so many people taking a p*ss – guys and girls – while we were doing the show in the treehouse. It wasn't pretty. Seeing a girl crouch down and taking a p*ss, waving at you, or trying to get your photo while taking a p*ss isn't pretty at all. It was horrible!

Have you ever walked into a Yates's wine bar, strolled right up to a girl and said, "That's my name above the door. Do you fancy a drink?" No, but I'm going to! That's both ridiculous and brilliant at the same time. I don't drink, so I'm never in Yates's. And if I did drink, then I probably wouldn't go to a p*ssing Yates's!

How do you chat-up a girl?

I don't chat-up women. That's probably the reason I'm single. I tend to become friends with a woman first, then I break them down. That's my technique!

Do you ever get any Radio 1 groupies? What's the weirdest thing you've been sent? We get sent weird stuff all the time. If the envelope looks a bit dodgy, then I just don't open it. And if the handwriting looks a little bit

special, I tend to stay away. If it's sealed with faeces or the address is scrawled in blood, then keep it away from me. But yeah, I get sent all sorts of stuff. And yes, I've been sent pants a few times!

Who's your bet for the Christmas No.1 this year? Any whispers?

It's got to be *X Factor*, really. There's no two ways about it. It's going to be *X Factor*, or *Take That* are going to do something with Robbie Williams in the line-up. It'll be one of those two. I can't imagine anyone else. ■

THE PREMIER LEAGUE'S MOST ANNOYING PLAYERS!

AS VOTED
BY YOU!

The top flight's
20 most irritating
stars of all time!

We love football here at *Nuts*, and we count our blessings that we have the best league in the world (La Liga? Do one. Serie A? Get a haircut!). But as well as the skill and passion on display in the Prem, there have been some real tinkers who've wound you up over the years. We asked you to vote for the players who've bugged you the most, and over 20,000 of you did. So here it is – your footy hall of shame!

20 ALAN SHEARER
Blackburn, Newcastle
1998: Gets away with booting Leicester's Neil Lennon in the head. Critics at the time say his status as England captain helped him avoid punishment.

19 KEVIN DAVIES
Southampton, Blackburn, Bolton
2010: Has 91 yellow cards to his name, which makes him the second-most booked player in the Premier League's history.

18 PAUL INCE
Man United, Liverpool, Middlesbrough, Wolves
1995: Leaves Old Trafford, prompting Sir Alex Ferguson to later label him a "bottler" and a "f***king big-time Charlie."

17 STEVEN GERRARD
Liverpool
2005: Rejects a huge pay rise and tells Liverpool he's leaving, only to later change his mind.
2008: Charged, but cleared, following a brawl in a nightclub.

16 PATRICK VIEIRA
Arsenal, Man City
1999: Manages to get sent off in both the first and second league games of the season.
1999: Banned for six games after spitting at Neil Ruddock.

15 DUNCAN FERGUSON
Everton, Newcastle
2006: Punches Paul Scharner in the stomach and gets an eighth Premier League red, a league record he still shares with Vieira and Richard Dunne.

14 FRANK LAMPARD
West Ham, Chelsea
2000: Involved in a sex tape while on holiday with Kieron Dyer and Rio Ferdinand.
2001: Was drunk in front of US tourists the day after 9/11.

13 RIO FERDINAND
West Ham, Leeds, Man United
1997: Gets called up to the England squad but misses out on his debut after being charged with drink-driving.

12 ROY KEANE Nottingham Forest, Man United

Hard-hitting midfielder with some "strong opinions".
2002: Sent home from the World Cup before the tournament even kicks off after a huge public spat with boss Mick McCarthy.
2007: Admits in his autobiography that his tackle on Man City's Alf-Inge Haaland, six year's previously, was deliberate. Keane wrote, "I'd waited long enough. I f***ing hit him hard. Take that, you c***!"

11 CRAIG BELLAMY Coventry, Newcastle, Blackburn, Liverpool, West Ham, Man City

The Welshman's had almost as many flare-ups as he's had clubs!
2002: Gets cautioned for common assault after an incident with a female student outside a Newcastle nightclub.
2004: Throws a chair at Newcastle assistant manager John Carver.
2007: Hits Liverpool team-mate John Arne Riise with a golf club.

10 ROBBIE SAVAGE Leicester, Birmingham, Blackburn

Silly hair, daft tats and straight in at number ten!
1998: Dropped from the Wales squad after being seen on TV dropping a shirt belonging to Italy legend Paolo Maldini into a bin.
2001: His blatant dive for Leicester wins a last-minute penalty against rivals Derby. Savage then celebrates in front of Derby fans.
2002: Enters the referee's dressing room to have a "number two".

9 DIDIER DROGBA Chelsea

It's Chelsea again! He might be one of the best strikers in the world but his "theatrics" clearly don't sit too easily with a lot of you.
2005: Admits to going down easily after a game against Man City.
2008: Retaliates to a coin thrown at him by hurling it into the crowd.
2008: Sent off in Champions League Final, which Chelsea lose.
2009: Swears on TV after Chelsea lose Champions League semi.

8 EMMANUEL ADEBAYOR Arsenal, Man City

The lanky Togolese striker has a keen eye for goal and a proven ability for annoying former fans and team-mates.
2008: Clash with team-mate Nicklas Bendtner on the pitch because "he [Bendtner] wore shoes in the dressing room".
2009: After scoring a goal against his former club, runs the length of the Eastlands pitch to celebrate in front of Arsenal fans. ➤

ANNOYING FOOTBALLERS

7 DENNIS WISE Chelsea, Leicester

The pint-sized midfield hardman was a hero to Chelsea fans but he's a player many of you were glad to see the back of!
1994: Gets stripped of the Chelsea captaincy by Glenn Hoddle after being sent off for foul and abusive language at Newcastle.
1995: Given a three-month prison sentence for assaulting a London taxi driver. The sentence is later overturned on appeal.
2002: Sent home from Leicester's pre-season tour of Finland after breaking the nose and jaw of team-mate Callum Davidson. He's later sacked by the club and goes on to sue them.

RUDE GESTURES!

6 GARY NEVILLE Man United

We can't imagine there'll be a queue of Liverpool or Man City fans lining up to buy "the Neviller" a pint when he retires!
2003: Emerges as spokesman for the England team after they threaten to strike in support of the banned Rio Ferdinand.
2006: Professional Scouse-baiter, Neville celebrates United's 1-0 win by running the length of the pitch to Liverpool fans at Old Trafford and performing a disturbing pelvic thrust celebration.
2010: Flips Carlos Tevez a middle finger after the Argentine scores, and celebrates, a goal in the Carling Cup semi-final.

4 JOEY BARTON Man City, Newcastle

Although he's calmed down of late, Barton's many "hi-jinks" place him firmly in the top five of any list of irksome footballers!
2004: Stubs his cigar out on the eye of a team-mate.
2005: Breaks a pedestrian's leg while driving his car at 2am.
2006: Celebrates a late City equaliser by mooning at Everton fans.
2008: Sentenced to six months in prison after drunkenly attacking a man outside a McDonald's in Liverpool.
2008: Receives a four-month suspended sentence after assaulting Man City team-mate Ousmane Dabo.

3 CRISTIANO RONALDO Man United

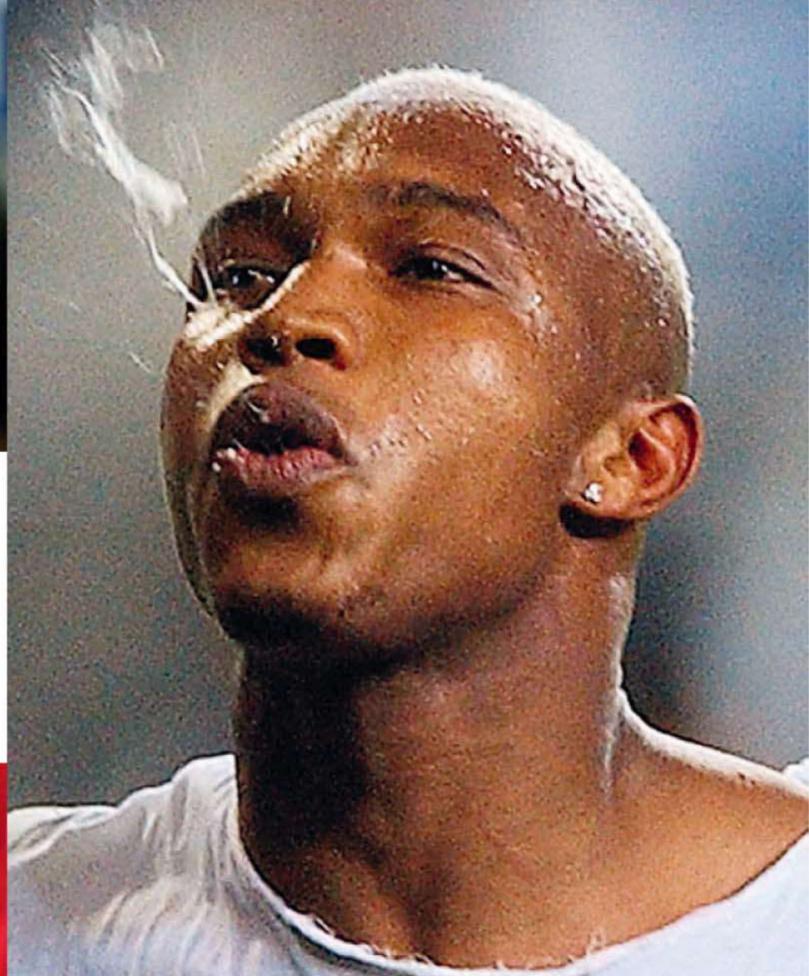

The Portuguese winger has the ability to create magic on the field. It's just a pity he's such a preening, posturing so-and-so!
2006: Instrumental in Wayne Rooney's notorious sending-off against Portugal in the World Cup. He then famously celebrates Rooney's red card with a cheeky wink to the Portuguese bench.
2007: Newspapers report an orgy with five call girls and new Man United team-mates Nani and Anderson at his mansion.
2010: Spits at cameraman after Portugal exit the World Cup.
2010: Poses in ridiculous pants for new Armani advert.

OFF-FIELD ANTICS!

5 JOHN TERRY Chelsea

Captain Marvel he may be – and seemingly made of steel – but JT's off-field troubles don't seem to sit too well with all of you! **2001:** Fined two weeks wages by Chelsea for getting drunk in front of a group of American tourists the day after 9/11. **2002:** Charged with affray and assault after being accused of hitting a nightclub bouncer with a bottle. He's later cleared. **2008:** Parks in a disabled bay while out for dinner at Pizza Express. **2010:** Caught in a scandal with best mate Wayne Bridge's ex-girlfriend Vanessa Perroncel. Loses England armband days later.

SILLY BILLY!

2 ASHLEY COLE Arsenal, Chelsea

His move from Arsenal to Chelsea was controversial – but that turned out to be nothing compared to his antics off the pitch! **2005:** Involved in a taping-up scandal after making contact with Chelsea without informing his club Arsenal. Fined £100,000. **2006:** Admits in his autobiography that he wanted a new deal worth £60,000 a week from Arsenal and nearly crashed his car when he was only offered a paltry £55,000 instead. Imagine! **2010:** Caught doing 104mph in a 50mph zone. **2010:** After a string of alleged affairs, Cheryl divorces him.

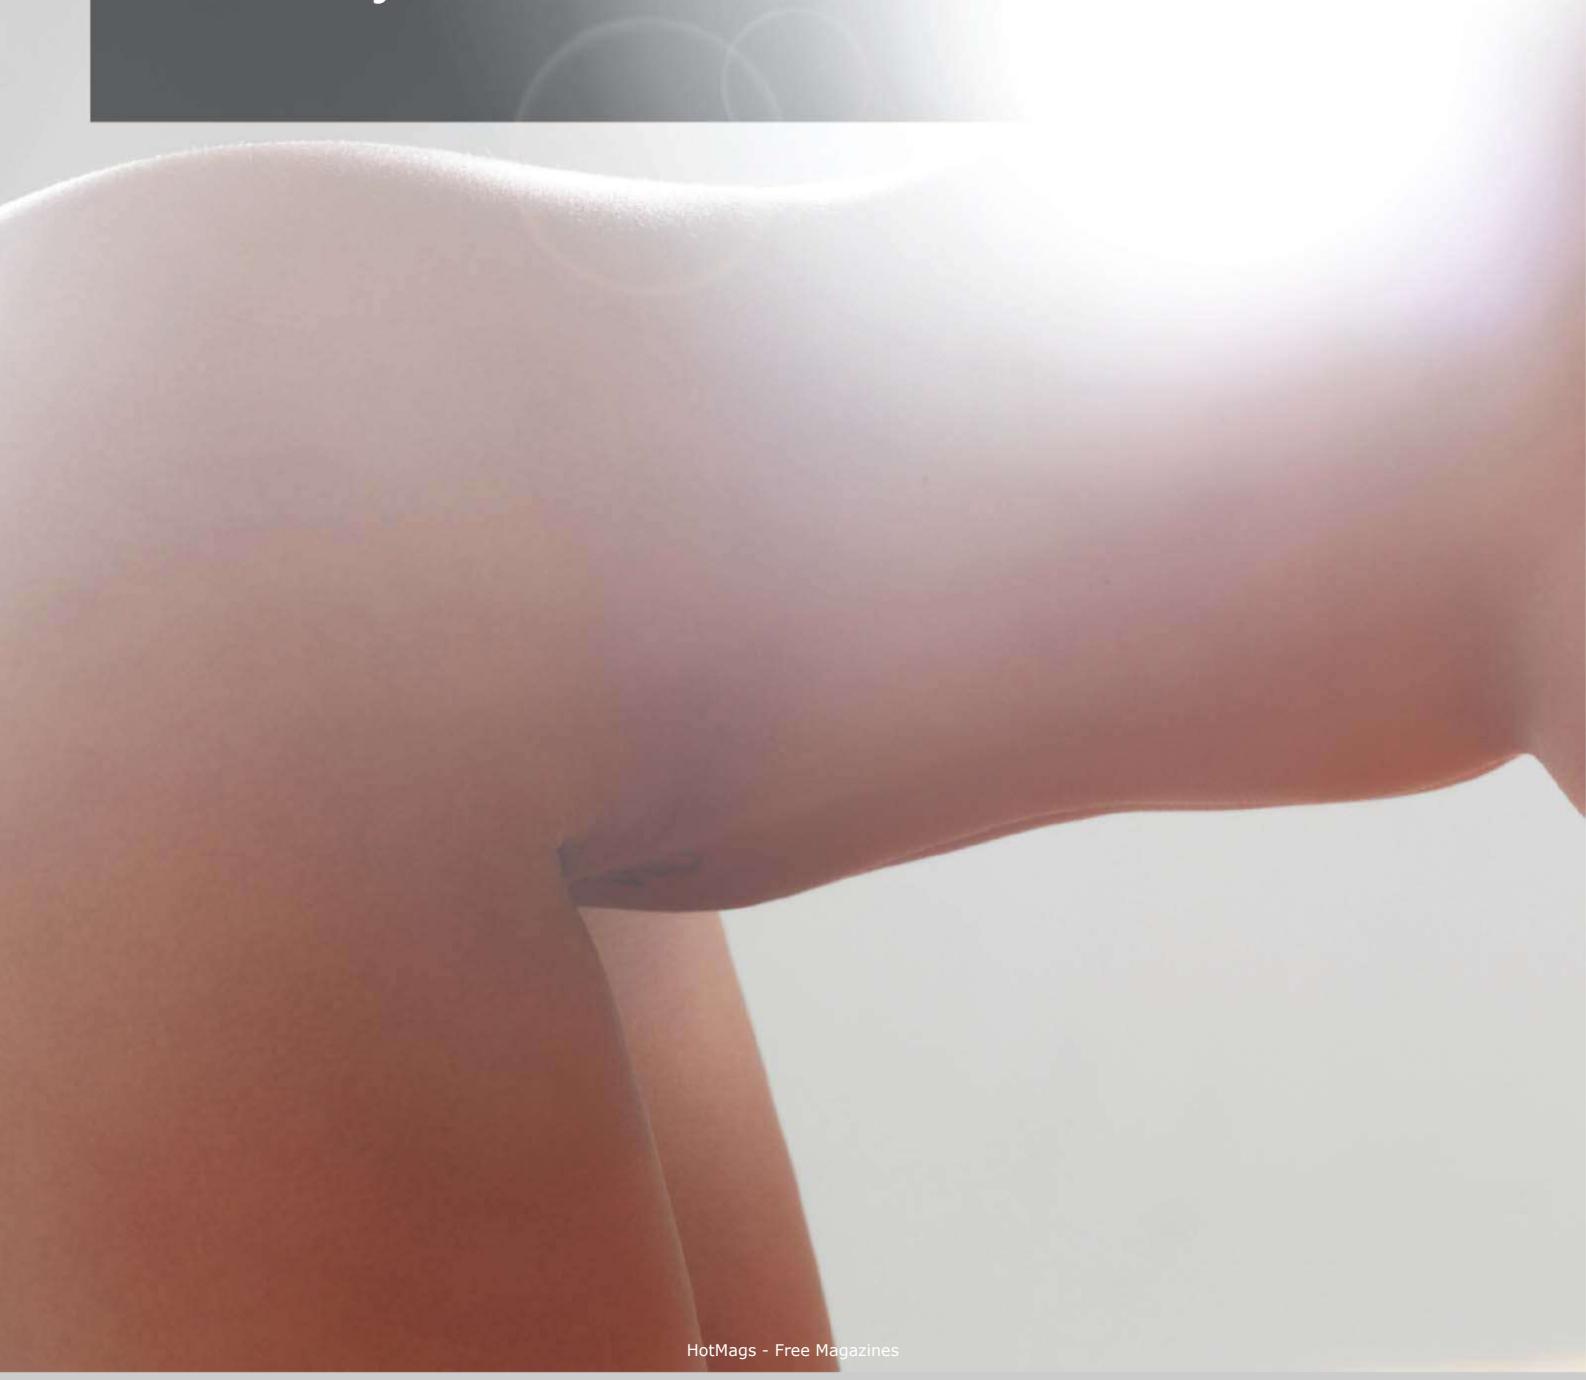

1 EL-HADJI DIOUF Liverpool, Bolton, Sunderland, Blackburn

Here he is, chaps – the player you voted as the most annoying footballer ever to play in the Premier League. With his "hilarious" antics, the Senegalese midfielder is the man most fans want to boo! **2003:** Docked two weeks' wages by Liverpool, fined £5,000 by Glasgow Sheriff Court and banned for two games after spitting at a Celtic fan during a Uefa Cup quarter-final. **2004:** Double phlegm disgrace! Diouf spits at an 11-year-old Boro fan, then later in the same month, Bolton ban him for three games after gobbing at Portsmouth captain Arjan de Zeeuw. Classy! **2009:** Has a row with Sunderland team-mate Anton Ferdinand at a post-match meal and allegedly threatens to stab him. Charming! ■

Katy Perry naked!"**

HOLLY PEERS

Hi Holly! What would you like to do in the nude? I'd love to go for a swim in the sea naked!

Do you walk around the house naked? I do but I should probably stop, because I live in a ground floor apartment near a main road. If I walk in the kitchen, people can see me through the window. I still always forget!

Oh dear! Has anyone caught you naked then? My old window cleaner saw me in the nude once, which was a bit awkward, yeah. Actually, I wasn't that bothered about it – he was probably more embarrassed than me!

Does it turn you off if a bloke keeps his socks on during sex?

Not really. I read that if you keep your socks on, you sleep better, so maybe that's why blokes do it!

Do you sleep naked? Yeah, I do! Not all the time, though, because I love a good pair of pyjamas. But I can't sleep a full night in them, so I normally take them off.

Which female celebrity would you like to see naked? That's an easy one for me – Katy Perry! She looks like she's got a great pair of boobs under there, doesn't she?

When you're naked, what's the best way to stay warm? The obvious answer is cuddling another naked person! Maybe sitting in a hot tub would be a good way to stay warm with no clothes on. It's been freezing on this shoot, so Kelly Andrews has been keeping me nice and toasty!

How many dates would a bloke have to take you on before he got to see you naked? It depends what type of date – if we were drinking loads, maybe just one. Only joking! I don't know – it'd depend on a lot of things really!

Thanks, Holly! Finally, do you ever catch girls trying to look at your boobs? Not really. My friends do it quite a lot, though! Sometimes they cup my boobs so they can feel the weight of them, but I think that's pretty standard on a night out with me! ➤

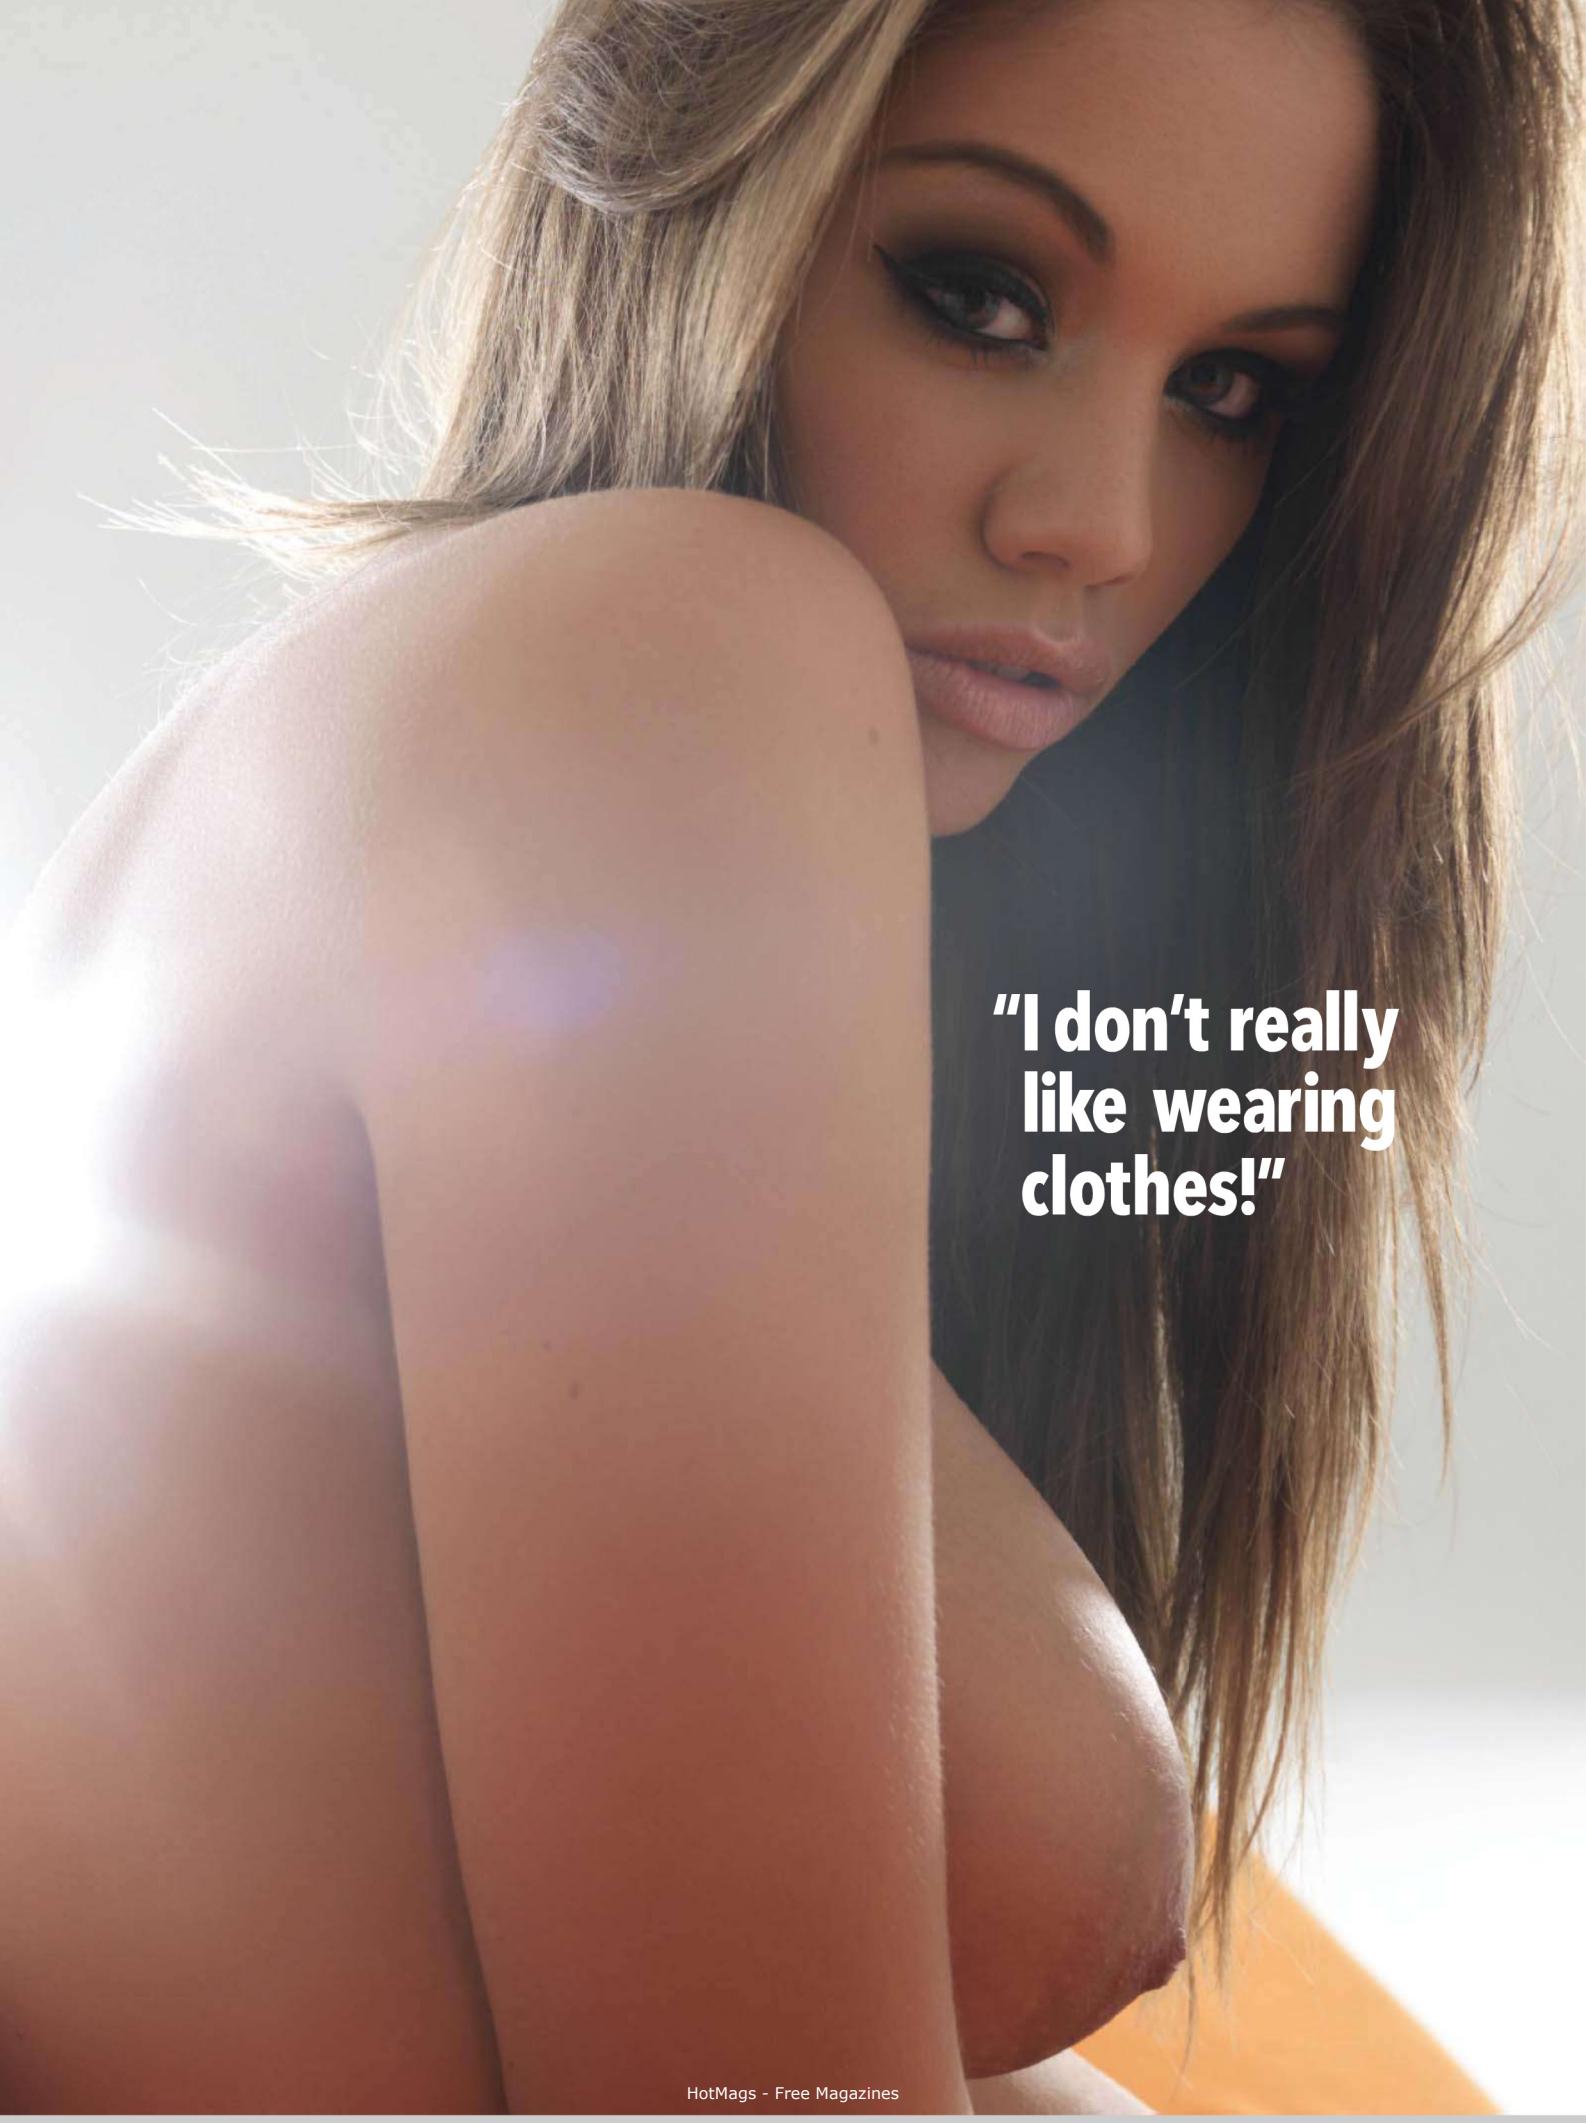

KELLY ANDREWS

Hi Kelly! Which female would you most like to see naked? I think Kim Kardashian's really attractive. She's just done a *Playboy* shoot, so I'll buy that! **Where's the strangest place you've been naked?** I was naked in a swimming pool recently when I went away for the weekend. I've been naked on a lot of different photo shoots as well – on the beach and beside pools! **What do you like to do in the nude?** A bit of hoovering! **Do you walk around the house naked?** Yeah, I'm naked a lot of the time around the house. Only when no one's in, though – then it's alright as no one can see me! **Is it a turn-off when a bloke keeps his socks on during sex?** Yes! If you're going to take all your clothes off, you might as well ditch the socks! If it's a cold night, I suppose you can forgive a man for keeping them on but it's much better if they're taken off. **Do you sleep naked?** Most of the time, unless it's particularly cold. **Have you ever been on a nudist beach?** No I haven't, but when I went on a photo shoot with a load of girls to Majorca recently, we were all nude on the beach – so we turned it in to a nudist beach! **Blimey! Which Nuts girl looks the best naked then?** It's hard to pick out one as all the girls are gorgeous. I'll go for Holly, though. **Have you ever been skinny-dipping?** Yes, a lot. In fact, I don't really go in swimming pools with clothes on! I don't mind getting naked in the pool if my friends are doing it as well! **Have you got a funny naked story?** After a night out, I came home, got undressed and went to make a cup of tea but as I leaned over, the steam from the kettle burnt one of my boobs. Ouch! **Thanks, Kelly. Finally, you live near Liverpool – are you a Red or a Blue?** A Red, of course! They're not doing so well at the moment, though. Sort it out, boys! ➔

**"I only go
swimming
in the nude!"**

**"I don't really
like wearing
clothes!"**

EMMA FRAIN

Hi Emma! What have you been up to since we last saw you in *Nuts*? I've been in Portugal. It wasn't as good as it sounds, though. All it did was rain! **Where's the strangest place you've been naked?** I went to Ibiza and visited this place called "Cock Beach"! I was getting my kit off for a photo shoot when all the guys there suddenly had their bits hanging out. It was strange! **Other than photo shoots, what else do you do in the nude?** I walk around the house naked a lot! I don't really like clothes. **Which female would you most like to see naked?** Megan Fox! She's definitely my female crush. Either her or Kelly Brook, but most people have seen Kelly Brook with nothing on already! **Does it bother you if a guy keeps his socks on when you're getting it on?** Yeah it does! Total turn-off. **Do you sleep nude?** Yeah, sometimes. If not completely naked, I'll just wear a big T-shirt. **Have you ever played sport naked?** No, but it'd be good to go swimming naked! It'd have to be a sport that isn't going to give me black eyes from my boobs! **Which *Nuts* girl looks best naked?** I think Lindsey Strutt looks amazing naked – she's got lovely boobs and a nice bum. **How many dates would a guy have to take you on before he saw you naked?** Quite a few! A fun date would be ice-skating because you get to know people better when you're relaxed. **That sounds like fun to us!** **What's the best way to chat you up?** Just be yourself. I like people that make me laugh, but not with chat-up lines – they're so cheesy! One guy came up and said, "Call your mum and tell her you're not coming home tonight." Ugh! **Thanks, Emma. Finally, you're from Stoke. Does that make you mates with Robbie Williams?** No, but my nan used to go out with his dad years ago! ➤

"I've been to a nudist beach with Lucy Pinder!"

SOPHIE HOWARD

Hi Sophie! Where's the strangest place you've had your kit off? I've been naked quite a few places!

Sand dunes, night clubs, all sorts!

Have you got a funny naked

story? When I first moved into my house, there weren't any curtains or blinds up, so I just put some sheets up. I didn't realise how much you could still see when the lights were on, so I'm pretty sure the neighbours saw me naked a few times!

Do you do lots of stuff starkers?

Yeah, everything! I don't clean in the nude, though – I normally just lie around the house or watch a film naked!

Is there a female celebrity you'd

like to see naked? Oh, there are loads of people! I'm nosey, I want to see what everybody looks like with no clothes on. Everyone should record a video so I can see what they look like naked!

Does it bother you if a guy keeps his clothes on during sex? If

you're noticing the fact he's still got his socks on, then the sex clearly isn't good enough, is it?

Have you ever been to a nudist beach? Yeah! There's actually a pic of me and Lucy Pinder on a nudist beach with this guy in the background with no clothes on!

Which Nuts girl has the best body? All of them! Most are

younger than me as well and they go to the gym, whereas I just eat loads of pizza and stuff!

What's the worst date you've

been on? I've had loads of bad dates! One guy was quite a bit older than me and he had really dodgy skin! It was like it wasn't attached to his body when you touched it. Yuck!

Thanks, Sophie! Do

you go for pretty boys or tough guys?

I don't know why but I prefer pretty boys to the tough guys! I've got a Justin Bieber poster on my wall – that's bad, isn't it? ➤

ROSIE JONES

Hi Rosie! Have you been naked in any odd places lately? Yeah! When I was shooting my calendar,

I had to sit on the side of the road with cars driving past and I wasn't wearing anything other than a cowboy hat! I've streaked across a football pitch before as well. It wasn't at a match, though!

Do you ever walk around the house in your birthday suit?

Yeah. Only really in the summer, though. Winter's too cold.

Crikey! Who would you most like to see naked? Katy Perry, Jessica Alba or Eva Mendes. They're all absolutely gorgeous!

Is it a turn-off when a guy wears his socks during sex? It depends. If it's the first time with someone and they keep their socks on, I'd think that was a bit weird. But it could be a good thing if there isn't time to take them off during the heat of the moment!

Have you ever been on a nudist beach? Yeah, in Ibiza there was a shoot on a beach with loads of naked people. It freaked me out a bit so we didn't stay too long. At least they didn't mind me posing topless, though!

Which Nuts model looks best in the buff? They all do! If I was going to pick one though, I'd say Emma Glover. What a body!

Do you ever strip off after a few drinks? I've never stripped naked but my friends try and get my boobs out all the time! I was in a club abroad once and it was so hot, I took my bra off and started swinging it around my head! I kept my dress on, though.

If you could meet anyone in the world, who would it be? Katy Perry! I love her, she's amazing! Maybe Michael McIntyre as well.

Thanks, Rosie! Finally, how should a guy chat you up? The best thing to do is just talk normally, not actually chat me up. Someone once asked me if I was feeling tired because I'd been "running through his mind all day". That's not what I wanted to hear! ■

Liverpool vs Chelsea

The two skippers chat to Nuts ahead of Sunday's Anfield showdown!

Gerrard: "It's too easy to blame Hodgson!"

Hi Stevie! How does it feel to have new owners and to be rid of Gillett and Hicks? I'm delighted it's been sorted. Our job's to play football, so we can't make any excuses, but there was a lot of uncertainty around the place. **Can you believe quite how far down the table Liverpool are?** It's been disappointing, yeah, but there's no panic. A bit of luck and some decent performances will give us the momentum we need. **What do you say when critics accuse this squad of just not being good enough?** Everyone has an opinion, but I know if we keep our best players fit, we have a squad that can get back up that table. We're all internationals!

But Liverpool in the bottom three must be hard to take. I wouldn't kid anyone by saying we've had a promising start to the season, but we've still got a good squad and a good manager. There are things in place that can make us a force again. **Is manager Roy Hodgson's job already under threat?** It's too easy just to blame the manager but I suppose that's the way of football these days. But it's not just down to the manager. Players need to take responsibility, too. **Fernando Torres seems out of sorts, too. What's gone wrong?** It's important we get Fernando back to his best. He's one of the best strikers in the world but he's had a tough time with injuries.

But Torres' body language hasn't been exactly great, has it? All strikers need goals and, if they don't get them, they get fed up. Fernando isn't any different. But the great thing about him is you never hear him moaning. **So Torres won't be off to Man City or Chelsea or Inter or...** No! He's a Liverpool player and loves it here. Strikers need goals and once they start flowing, we'll see a much happier 'Nando. **With champions Chelsea in your sights this week, what's the aim for the pre-Christmas run-in?** Simple. Win games! It's amazing what that'll do to this club. It's early in the season, but it's time to deliver. Liverpool is about being successful. Nothing else will do!

"Pah! This
is looking
angry, Steve.
Grrr!"

Chelsea special!

TITLE FAVOURITES!

Terry: "We want to win it all!"

Hi JT! With Man United having their recent issues with Wayne Rooney and Liverpool in a bit of strife at the moment, are Chelsea favourites to retain the title? I hope so! But there's a hell of a long way to go. We've started well but it'd be stupid to come out and say, "Yeah, we'll win it", because this is the hardest league in the world. One minute, you're up one end trying to score, the next you're back in your box defending. It's true when they say there are no easy games. **But what do you make of your title rivals?** Man United will get a boost from Wayne [Rooney] signing. They've kept hold of a fantastic player and now it looks like they'll be given money to spend in January. I don't think it was about the money for Wayne, although I don't think anyone can begrudge him what he gets. **And Arsenal, Man City and Liverpool?** Arsenal are in great form and you can never, ever write Liverpool off. As for City, they're a definite threat because they've signed fantastic players and certainly have the financial backing. But we look to ourselves more than anything else. We know how to win things – we've proved that in recent seasons.

If you had to put your finger on one key ingredient to Chelsea's success, what would it be? Desire, hunger – whatever you want to call it. We want the title, the Champions League... in fact, we want to win everything! **It's been said Chelsea are in the best shape ever to win the Champions League.** We can win it, I honestly believe that. I just have a feeling we can do something special this year. We've gone close before but I can see we now tick all the boxes. We've got the players, the manager and the belief. **At the back, Chelsea have been awesome. Is this the best defence you've ever played in?** It's up there! I've got some of the greatest players in the world in their positions alongside me, so it's a privilege to be part of that defence. We take it as a personal insult if we concede. This attitude and level of performance gives us a platform that allows us to go forward and get more goals. **And you can't win every game 6-0.** That's right! First and foremost, we just need to win. If it's 1-0 every week, I'll happily take that! Of course we want to entertain, and I know we do with our brand of football, but lifting trophies is what it's all about. As usual!

KAMMY!

ONLY IN
Nuts!

He's footy's funniest pundit – and he's only in *Nuts*!

"Bend over, Wayne, this won't take a minute!"

Sir Alex can complain, but agents are here to stay!

Now Wayne Rooney has signed on for five more years with Man United, the fallout begins. One interesting development for me was Sir Alex breaking ranks to openly criticise the involvement of agents in transfers – which is something you don't usually hear from managers because

they always want to make sure they get the best deals.

Fergie didn't actually name any names specifically, but he was obviously talking about Rooney's agent Paul Stretford.

Now, much as Stretford has courted controversy, you can't fault him for getting the very best deals around for his client. Whatever Stretford has earned as a percentage from Wayne's numerous sponsorship deals and contracts, he has deserved.

I think the problem Sir Alex has with modern agents is that

they've replaced the part parents once played in negotiations, and as such, they've eradicated face-to-face contact with players.

I remember when I was playing and moved from Stoke to Leeds, the amount of money they offered me to move there seemed like a fortune but, at the time, I didn't have an agent.

When I did get an agent involved for my next move to Luton Town, I simply sat outside the boss' office playing pool while my agent went in and spoke to the board and manager.

He came out from the office and simply said, "Is this enough?" and my jaw hit the floor! I'd never have asked for anywhere near the amount he got me if I'd been the one in there haggling.

These days, the amounts of money involved are staggering, and the players are the ones who hold all the aces. It's their faces on the merchandise and on the adverts, so they've replaced the clubs in terms of clout. Much as Sir Alex may not like it, agents are almost as powerful now as he is. And they're here to stay!

"The players have replaced the clubs in terms of clout"

1 LIVERPOOL VS CHELSEA

KAMMY SAYS: 0-2

2 BOLTON VS SPURS
6 NOV, 12.45PM, SKY SP 1/HD

"This could be a good game, with Spurs coming up against a resilient Bolton, but Harry's team seem to get better and better, and I'm tipping them to take this one."
KAMMY SAYS: 1-2

3 ARSENAL VS NEWCASTLE
7 NOV, 1.30PM, SKY SP 1/HD

"Arsenal's win at Man City put them right back in the title race, and I think they'll be too strong for Chris Hughton's plucky-but-brittle Newcastle side here."
KAMMY SAYS: 3-0

KAMMY'S UNBELIEVABLE-OMETER™

UNBELIEVABLY GOOD!

WOY'S WONDER!

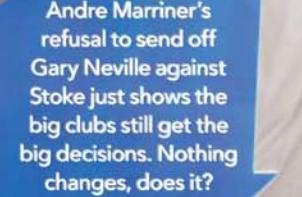

I was pleased Roy Hodgson's Liverpool beat Blackburn. I don't think any manager would have fared better this season given their situation.

UNBELIEVABLY BAD!

RED MISSED!

Andre Marriner's refusal to send off Gary Neville against Stoke just shows the big clubs still get the big decisions. Nothing changes, does it?

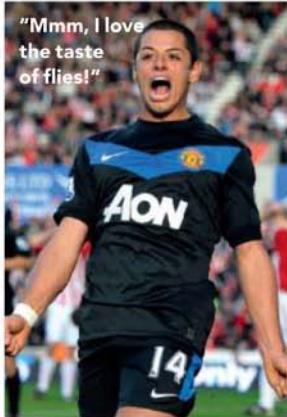

ASK KAMMY!

Hi Kammy!

Given Javier Hernandez' recent performances, do you think the Mexican striker could eventually prove to be even more valuable to Man United than Wayne Rooney?

Danny, Salford

I've been very impressed with the "little pea", and it looks like Sir Alex Ferguson has unearthed another gem. I've never seen anything like his header against Stoke, but I think he's got a long way to go before he's fit to lace Wayne Rooney's boots when Wayne's at his best.

DRAW KAMMY!

Nice one, Steve. Looks like the local rivalry is still healthy there!

Kammy needs you!

Send Kammy your jokes, pics etc to kammy@ipcmedia.com. The sender of the best one each week will win a signed Nuts T-shirt!

Who Man United should look to sign in January!

MERSE!

Sky Sports' Paul Merson spends Fergie's transfer cash for him!

With Wayne Rooney finally re-signing for Man United, some reckon the Glazers will have no choice but to dust off their cheque book in the January transfer window and spend big – if only to keep Wazza happy!

The pressure to bag a star name is now on and, after a stuttering start, Fergie's team could use a few new faces. But which of football's stars should the boss go for? We asked Paul "Magic Man" Merson to point Sir Alex in the right direction!

£22M

BASTIAN SCHWEINSTEIGER*Bayern Munich*

"I like this lad. He's used to playing for a big club and won't be fazed by the expectation at Man United. He can also play as a holding midfielder, further forward or even on the wing if needed. He'd strengthen what I think is a fairly fragile midfield."

£10M

MICAH RICHARDS*Man City*

"OK, there's the whole City vs United thing to contend with, but I still think Richards is a player Fergie could mould into the world-class defender we all thought he'd become at one point. Strong, quick and young, I can see him doing a job."

£35M

GARETH BALE *Spurs*

"Brilliant, just brilliant! With time running out for old-timer Ryan Giggs, Bale would be the perfect replacement. I love his directness, plus he's so fit, he could run all day. He also scores brilliant goals, as we saw with his hat-trick against Inter Milan. Truly the complete winger!"

£20M

JACK RODWELL *Everton*

"Man United have an uncanny knack of getting their hands on promising young players and turning them into world-class footballers. Rodwell's not getting that much football at Everton right now, so who knows? I reckon this boy could be a future England captain!"

"Come here, son,
Wayne won't bite!"

IN THE MARKET!

£15M

LASSANA DIARRA

Real Madrid

"My only concern with Diarra is even though he's only about ten years old, he's had about 100 clubs already! In pure footballing terms, though, Diarra's the real deal. He'd give United some much needed drive in those midfield areas."

£16M

PEPE REINA *Liverpool*

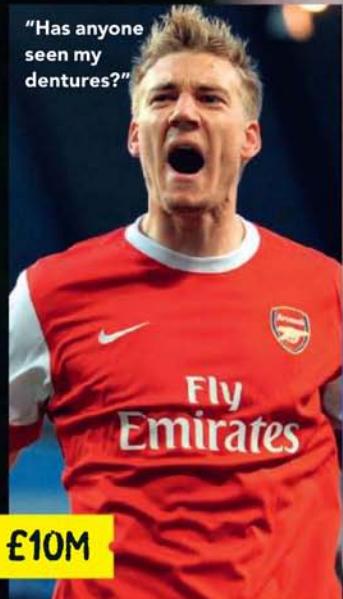

"If Reina went on the market, he'd have clubs fighting each other to get their hands on him. A great shot-stopper who really commands his area, I genuinely think the Spaniard's the best keeper in the world right now. A worthy successor to the excellent Van der Sar."

£12M

PHIL JAGIELKA *Everton*

"I love the Ferdinand-Vidic partnership, but United lack depth at centre-back. Wes Brown doesn't convince me and Jonny Evans is OK but not great. Jagielka, on the other hand, is a proper centre-half – someone who defends first and asks questions later!"

£10M

NICKLAS BENDTNER

Arsenal

"OK, I can hear you laughing at this one already but, seriously, Bendtner has got absolute bags of talent! And almost as important is his attitude – he's arrogant, and I like that in a player. He'd love the attention he'd get at Old Trafford!"

Who'll win this week's event?

Attention all you Nuts readers! The SEAT Sex Drive is here – a show which aims to finally determine, once and for all, whether us men really are better drivers than women.

Don't miss this week's challenge, Cops & Robbers, where teams chase each other to see who's the best crook!

The aim of the challenge is for the robbers to drop swag bags at various points around the circuit before driving off, and it's up to the chasing cops to pick them up – cool. The winning team is the one that

gets back to the garage first!

We sent incredibly hot Nuts babe India Reynolds and incredibly useless Nuts man Sam to the event for our very own battle of the sexes.

After losing the first challenge, Water Torture, to India, Nuts man was desperate to level the scores this week.

Unfortunately, but not too surprisingly, Nuts man was too busy gawping at India's boobs when she dropped off her swag bags and took his eye off the track, meaning he crashed out to another defeat – numpty!

Nuts Poker School

This week:
the lingo

Right now, the PKR Nuts Poker Room is *the* place to be on the interweb. But if you're new to the game of Texas Hold 'Em, some of the lingo you're hearing may have you a bit

flummoxed. Luckily, we're here to help! Peruse our handy guide to poker's most-used words and phrases and you'll soon be able to tell a flop from a fold. Remember, play more, learn more!

1. All-In

When a player bets all of his chips on one hand, he's "all-in".

2. Big Blind/ Small Blind

The two players to the left of the dealer always have to stump up a specific wager before each hand starts. This ensures there's always money in each hand. The small blind is always half the big blind.

3. Call

If one of your opponents makes a bet, you can "call" it – which means you're matching their bet.

4. Check

When you "check" your hand, you're not betting or folding, you're just passing to the next person for their move. Just remember, this can only be done if no one has bet ahead of you.

5. Flop

The first three community, or "shared", cards dealt face-up.

6. Fold

Rubbish hand? Then throw away, or "fold", your cards. You may also hear opponents about to fold say they're "mucking" their hand.

7. Raising

Increasing the size of the bet to stay in that hand. The raise normally has to be the same as, or higher, than the opening bet or previous raise – if there was one.

8. The River

The all-important river card (sometimes known as "fifth street") is the final community card dealt by the dealer.

9. The Turn

The turn card, also referred to as "fourth street", is the fourth of five community cards that are dealt face-up by the dealer.

10. Hole Cards

Only seen by you, these are the two cards you start a hand with.

HOW TO PLAY

- The aim is to get winning symbol combinations from a spin of the reels, with the ultimate aim being to win the progressive jackpot.
- You can gamble up to 20p on each of the 20 pay lines. That's up to 20 chances to win on each play!
- The progressive jackpot can only be won on the Deal or No Deal bonus game, but there are also two other fun bonus games called Banker's Offer and Mystery Box Bonus, where you can win cash.

THE NUMBER LINES

It's all self-explanatory – click the number beside the reels, or the "Bet One" or "Bet Max" button. Choose Bet Max for the chance to play the bonus game and win the biggest jackpots!

DEAL OR NO DEAL BONUS GAME

If you're betting on all 20 pay lines and you get three Deal or No Deal bonus symbols on any pay line, the bonus game begins. This is much like the *Deal Or No Deal* TV show, only the big progressive jackpot is at stake here. Don't be too greedy or, like us, you could end up with £8 instead of £100!

THIS WEEK:
Name: Rehea
Age: 20
Boobs: 34E. "Boys say I've got a nice rack!"
Likes: "Skaters!"
Have you ever kissed a girl? "All the time!"
Strangest place you've had sex? "In a shed!"
Sex tip: "Tease me!"

Rehea's really sexy tour of Haslemere

The *Nuts* bus stops in saucy Surrey

Rehea on... her home!

"Haslemere's really quiet and boring, so I go into Guildford or Windsor for a night out. And if it's raining or cold, I won't go out at all! How lazy am I?"

Rehea on... being tall!

"I'm 5ft 10 – or 6ft 4 in heels – so I tower over my friends! I tend to go out with taller boys because it looks like I'm dating a midget if they're too short!"

Rehea on... eating healthily!

"I try to eat healthily but what gets me is crisps. Yum! I do my Jordan workout DVD every day but I don't think I look much like her yet. Ha-ha!"

Rehea on... her boobs!

"My boobs are 34E. Girls with small boobs always try to make them look bigger, but I don't have that problem. I like people to see I've got big boobs!"

**"I'll kiss
a girl
if she's
nice!"**

Rehea on... waking up!

"I'm an early bird, always up at 7.30. I can't help it, everything just seems to wake me up and I worry about spiders a lot. I'm pretty cuddly in bed, though!"

Rehea on... her lips!

"I've got cushion lips, so kissing me is like kissing little pillows! Random people always ask me for snogs – boys and girls! I'll give a girl a kiss if she's nice."

Rehea on... getting ready!

"It takes me about three-and-a-half hours to get ready. I try to save time by organising an outfit the night before, but it still seems to take me ages!"

10 RUDE QUESTIONS!

THIS WEEK:
Amber

19, Birmingham

1 Where's the strangest place you've had sex?

"Hmm, let me think..."

Probably the beach but that's not really strange, is it? It was really nice, though – I'd definitely do it again. I've had sex in a service-station car park, too. Sometimes the mood just takes you!"

2 What's your trademark move in the bedroom?

"Sucking the guy's fingers, that's kind of my trademark move. It really turns me on!"

3 What else really turns you on? "Whispering or breathing in my ear. I like to hear something dirty!"

4 What's your favourite position? "From behind, because then I don't have to look at him! Ha-ha!"

5 Is it better to give or receive in the bedroom? "It all depends how much you like them. If you really want to impress them, it's definitely best to give more than you take!"

6 What one sexual thing do you really want to try but haven't got round

to yet? "Hmm, that's a tough one. I've not tried a 69 yet, believe it or not but I'm not sure I really want to, so I'm in no rush! I'm sure it'd be a lot of fun, though!"

7 Ever got it on with another girl? "No, but I was in Spearmint Rhino recently and it turned out to be the most arousing thing ever, so I'm sure it's one for the future!"

8 What's your rude fancy-dress outfit of choice?

"Probably a policewoman, or someone else with power. I wouldn't be anything pansy like a nurse – I've got to be in control!"

And a Real Girl
to answer them...

9 Have you ever made a sex tape? "No, no, I couldn't do that! I can be a real freak in the bedroom, so I don't think I could bear to watch myself back – it'd make me cringe!"

10 What's the rudest thing you've ever done?

"That's a hard one. I once got intimate with my friend's brother. We didn't go all the way but we got a little bit further than second base. That certainly felt a bit naughty!"

CONFESION OF THE WEEK!

'She confessed she liked girls'

I went on my friend's hen night a few weeks ago and met a few of her colleagues. One girl was gorgeous, with long dark hair, lovely big lips and an amazing figure. She was really bubbly and even a bit flirty. At the end of the night, we shared a cab and she drunkenly confessed she fancied girls. I replied that I'd always wanted to kiss a woman, so she took my face in both hands and gave me a slow, sensual kiss. She soon had her arms around me as our kisses got more passionate and my hands found their way down to her tight bum cheeks. Her fingers rubbed at my knickers and I couldn't believe how horny I felt. Suddenly embarrassed as we pulled up to my door, I mumbled "thanks" and dived out of the car!

Mandy, Farringdon

'I got caught in the act'

I came home from college early the other day and found the house empty, with mum at work and my brother obviously out with

his mates. I took a long bath, then sat on my bed moisturising my body from head to toe. I looked in the mirror to admire my newly-waxed bikini line and the fullness of my breasts. Suddenly feeling horny, I crept into my brother's room and stole a dirty mag from

under his bed. Leaning against my bedroom wall, I flicked through it and got really turned on by all the gorgeous bodies and scenes of graphic sex. Watching myself in the full-length mirror, I squeezed my nipples and gave each boob a grope. My fingers reached down for my clit and, as I slowly rubbed away, I shut my eyes and imagined being a model in the magazine. I moaned loudly as I came, and didn't have time to move as the door opened and two of my brother's best mates walked in. I tried to cover my body and hide the mag, but failed badly on both counts. I'm not sure who was more mortified, although they both had the biggest grins imaginable on their chops!

Tina, Portsmouth

'I covered his bits in baby oil'

My boyfriend loves me giving him hand-jobs when we're out and about. I've done it in a car wash and also under a table in a restaurant. He loves that I'm in control and just sits back watching me go for it. The other night, he was watching football, so I grabbed some baby oil from the bathroom cupboard and ordered him to pull his pants down. He was a bit surprised by my request but obliged and kept one eye on the game as I worked my magic. I altered my speeds between fast and really slow, driving him mad and making him lose concentration on the TV. As I poured baby oil

over his stiffy, he gasped with delight as my hand slipped over his shaft and balls. He didn't last much longer and soon exploded over my hand. It was such a turn-on for me, too. I was soaking wet by the time he returned the favour. Baby oil's now our favourite toy!

Sheila, Basingstoke

'We did it like strangers'

I booked a room in our local hotel and asked my man to meet me in the bar after he finished work. I got there before him and dressed up in the works – stockings, red knickers and bra, a tight little dress and a dark wig to top the look off. When he came in, I knew he didn't recognise me until he heard me tell the barman to bring the drinks over to the corner table. He soon understood what I was up to and came over to ask if he could sit with me. We chatted like strangers and had a few drinks, before I offered him a nightcap in my room. Once we were there, I took over, pushing him onto the bed and climbing on top. I ended up riding him like a woman possessed, then left him exhausted in the bed a few hours later, saying I'd call him.

ALL BLACKS!

Bolton vs Spurs

Sky Sports 2/HD, 12.30pm

SPORT Harry Redknapp takes his men to Bolton in search of a win, which sounds pretty straightforward, but isn't – Spurs have never beaten Bolton at the Reebok in the league. Game on! ★★★★

Ray Mears' birthday do was a glam affair

The Armstrong & Miller Show

BBC1, 9.30pm

COMEDY The posh sketch show duo amuse with a host of great characters, such as the astronaut plagued by a jealous computer. ★★★★

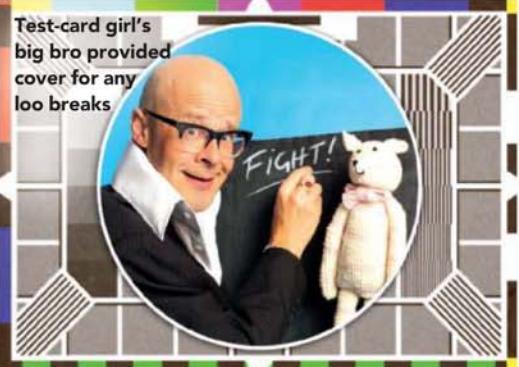

England vs New Zealand

Sky Sports 1/HD, 2pm

SPORT

Those pesky All Blacks are in town and eyeing a ninth consecutive victory over England in the opening autumn international at Twickenham. Martin Johnson's men face a devilishly tough task if they want to end that run of shame, as Jonny Wilkinson, Riki Flutey and Simon Shaw are all injury concerns. Johnson will be particularly keen to stop Dan Carter after the mercurial fly-half scored 14 points in a 19-6 win over England last year. ★★★★

TODAY'S MUST-SEES

LADY LOVING!

Stoke vs Birmingham

Sky Sports 2/HD, 7.30pm

SPORT

Don't expect any niceties here as two gritty Prem sides clash. The Britannia's always a pretty difficult place to visit but the Blues are unbeaten at this ground in their last three visits. ★★★

Later Live... With Jools Holland

BBC2, 10pm

MUSIC

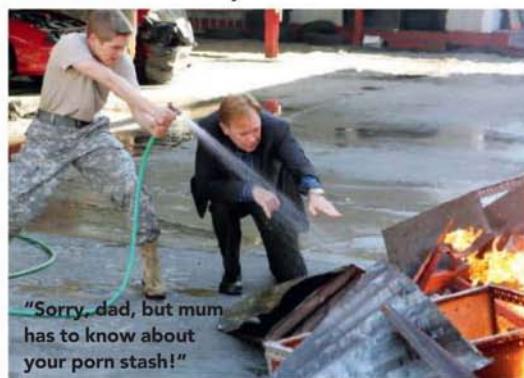

The piano-tinkler's guests tonight are veteran warbler Bryan Ferry, London songstress Jessie J (above) and Midlake. Ace! ★★★★

Lip Service

BBC3, 10.30pm

DRAMA

You know us, reader. And we know you. We all know why we're watching this show. If you aren't in the know, it's because it's about a load of stunning lesbians flouncing around being rude with each other – the little minxes! This week, Jay and Frankie try to hide their boozy mistake (just embrace it, ladies!), Tess tries to avoid her birthday, and a work assignment pushes Frankie and Cat closer together. Ah, curse you BBC3! Lure us in with hot ladies being naughty, then you ensnare us with your clever, multi-layered storylines. It's not fair! ★★★★

CSI: Miami

Five, 9pm

DRAMA

Horatio's son Kyle returns from Iraq and both are soon embroiled in a nasty murder investigation. A missing comrade, a gangland hit and an honour killing are all in the mix for the world's most formidable ginger cop. ★★★

TODAY'S MUST-SEES

"Yum, I can still taste that half-time pie"

**The Losers** **Sky Box Office/HD, from 6am**

FILM A US Special Forces team get stranded in Bolivia and decide to take revenge on their dodgy employer with the help of some pretty explosive weaponry. Full of action and twists, this makes for pure, mindless fun. Which we love! ★★★

**Jennifer's Body**

Sky Movies Premiere/HD, 9.40pm

FILM While Megan Fox running around killing boys isn't the most appealing movie formula, we do get to see Jennifer's (Ms Fox) near-naked body and even some girl-on-girl action. Cracking! ★★★★

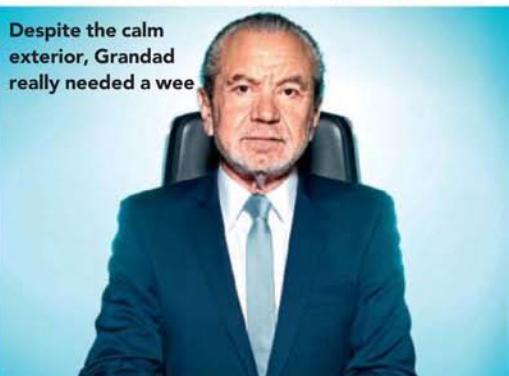

**Man City vs
Man United**

Sky Sports 2/HD, 7pm

SPORT

With the wealth of the hosts, the Carlos Tevez thing and the fact these two played out four fiery matches in the Carling Cup and the league last season, this is surely now the hottest derby. United may have had the edge on City last season, and a Paul Scholes goal saw them snatch a win in the corresponding fixture too, but there are signs the Blues are the more buoyant of the two this term – and Roberto Mancini will be looking to hammer that home tonight. ★★★★

Despite the calm exterior, Grandad really needed a wee

**The Apprentice**

BBC1, 9pm

REALITY

We're at the halfway point and this week, the remaining candidates try to create TV and radio advertising campaigns to flog a new multi-purpose household cleaner. Will they carry it off spotlessly? Emphasis on the "try to"! ★★★★

TODAY'S MUST-SEES

Lord Sugar had taught his mechanic all he knew

Misfits

E4/HD, 10pm

DRAMA

The excellent drama series following a group of young offenders who acquire super powers after getting caught in a lightning storm returns. So, welcome back mind-reader Kelly, time-manipulator Curtis, Simon, who can become invisible, and Alisha, who can whip people into a sexual frenzy. Then there's Nathan, who's immortal, which is handy, seeing as he got impaled on a fence at the end of the last series. Shame he's been buried, then! Luckily, his Asbo-wielding mates soon realise he's still alive and dig him up. ★★★★

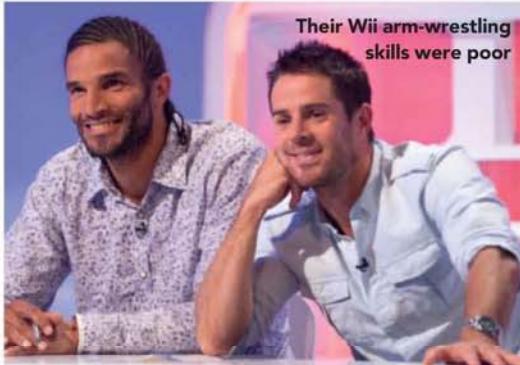

George Michael needed constant reassurance from his cellmate

**The Big Bang Theory**

E4/HD, 9pm

COMEDY

Sheldon's horrified by the realisation he isn't going to live long enough for his consciousness to be downloaded into a robot body. A worry we can surely all relate to. ★★★★

**A League Of Their Own**

Sky1/HD, 10pm

COMEDY

It's the final double-bill of the series and the teams are joined by Eamonn Holmes and David James in the first edition, while Jimmy Carr and Theo Paphitis are on last. ★★★★

An Idiot Abroad

Sky1/HD, 9pm

COMEDY

The round-headed buffoon is back to the simple pleasures of English life, and this recap show brings together all the best bits from his hilarious trip, plus a reunion with tormentors Ricky Gervais and Steve Merchant. ★★★★
